MANY KILLED AND SCORES ARE INJURED IN A TRAIN WRECK

Fast Trains Crash Together Near Small Indiana Station—Near Scene of Big Circus Wreck.

At least thirty persons were killed and scores injured in the wreck of two passenger trains at Porter, Ind., at 6:20 o'clock Sunday night.

New York Central train No. 20, Interstate Limited, Boston to Chicago, traveling at a high rate of speed, cut into the middle of a Chicago to New York passenger train on the Michigan Central road at the crossing of the two lines.

Both engines turned over, derailing the coaches. Not a wheel was left on the track. The wooden coaches were crushed into kindling wood at the bottom of the steep embankment.

At the moment of the crash the dining cars of each train were crowded and hardly a passenger in these coaches escaped without serious injuries.

Scores of passengers, pinned in the wreckage of the wooden coaches, were burned by a fire which was extinguished by the volunteer fire department of the village.

The all-steel pullmans were also badly smashed and imprisoned many of the injured. Twelve cars were demolished or wrecked. The engineer and fireman of the New York Central train were killed.

An hour after the wreck eight bodies had been taken from the debris. Relief trains were sent out from Gary and LaPorte by both the Lake Shore and Michigan Central railroads.

The doctors and nurses of the Illinois Steel Company hospital at Gary were aboard the Lake Shore relief train with a full emergency equipment. Ambulances waited for the trains at Gary and LaPorte.

According to first information the engineer on the Michigan Central train ran past two red signals which had been set to give the Lake Shore train the right-of-way.

Several years ago an engineer on the Michigan Central passed the warning signal and drove a deadhead equipment train through the coaches and live wooden coaches of the Hazards and Wallace circus train, killing more than eighty performers and workmen. This wreck occurred ten miles west of the crossing at Porter.

Miss Nellie Haffey will teach a class in Bookkeeping. Phone 713. 28-61.

AGED TOBACCO.

Colonel Leland Nicholson, of the Omar Dodson Grocery, has presented the Ledger man with a twist of tobacco that was grown in 1884. The tobacco was grown on the old Morrison farm then owned by the late Omar Dodson and because of the '84 flood it was moved from the barn on that farm to the Dodson Wholesale grocery. Quite a bit of it was twisted and Mr. Nicholson recently found several twists in one of the upper stories of the Dodson building.

ONE KILLED AND ONE WOUNDED IN FIGHT

Hazard Was Scene of Fatal Battle Between Sheriffs and Ex-Convict Sunday Afternoon.

Hazard, Ky., Feb. 28. — Kelley Robinson, 29 years old, Jackson, was shot and killed and John Smith, Deputy Sheriff, Hazard, was "probably mortally wounded in a pistol fight on Main street in Hazard at 2:30 o'clock Sunday afternoon.

Two other deputy sheriffs were present, but it is said that John Smith fired the shots which killed Robinson, who was wounded twice below the heart. Robinson lived only a few moments. Physicians at the Hazard Industrial Hospital hold out very little hope for Smith's recovery. He was shot under the eye and the bullet was cut out of the back of his neck.

In the excitement following the shooting it was impossible to learn just who killed Robinson, but James Gilkinson, a Deputy Sheriff, shot at Robinson and probably hit him at least one time.

It was learned that Robinson, a paroled prisoner, came to Hazard that morning from Middletown, Ohio, and was arrested Sunday by Deputy Sheriff Estill Combs, who took a pistol from him, but afterward released him. Robinson obtained some whiskey and brooded over his arrest.

WARFIELD CASHED TWO OTHER CHECKS IT HAS DEVELOPED

Youthful Check Artist Held to Grand Jury on Two Separate Charges—Had Cashed Two Checks at Another Local Bank.

Harry Warfield, colored, eighteen year old boy who only a few months ago was released from the State School of Reform where he had been sent by the Mason Circuit Court on a charge of forgery, was again before City Judge John L. Whitaker this afternoon being charged with having issued and cashed two other checks to which he had forged the name of Mr. Henry Slattery, of the county.

Warfield waived examination and was held to the March grand jury, his bail being fixed at \$500 on each case and being unable to give the required bond, he was taken to jail to await the meeting of the grand jury.

Since Warfield's arrest when it was learned at the State National Bank, that checks he had presented there and cashed were forgeries, it has developed that he had previously passed two checks which have proven to be forgeries at the Farmers & Traders' Bank. These checks have not been turned over to the officers.

SIX IRISHMEN FACE ENGLISH FIRING SQUADS

Irishmen Refuse Blindfolds and Face Executioners—Appeal of Cork Rejected.

Cork, Feb. 28. — Six Irishmen in jail here, whose death was fixed for today, on charges of levying war against the Crown forces, were duly executed by the military this morning. The men were shot in batches of two each at intervals of 15 minutes. The appeal of the corporation of Cork for clemency was rejected.

The men executed were Timothy McCarthy, Thomas O'Brien, Patrick Mahoney, John Lyons, Daniel Cullaghan and John Allen. All of them walked to the execution field and refused to be blindfolded.

The five men were condemned for an attack upon the Crown forces at Dripsey, county Cork, in January. Allen, whose home was in Tipperary, was sentenced for possessing a revolver and ammunition. It was his sentence which the king's bench confirmed on February 24, in deciding that a state of war existed in Ireland, giving the military full power to act without interference by the civil courts.

In all the Catholic churches in Cork yesterday prayers were said for the condemned men.
